Preliminary Amendment

Amendments to the Abstract:

Please replace the previous Abstract with the following redlined Abstract:

The present invention relates to a press ~~(10)~~ of pressure cell type, a tray ~~(20, 60, 60a, 60b, 60c, 60d, 70, 74)~~ for use in a press of pressure cell type and a method. The tray comprises a tray frame, which defines a space ~~(26)~~ for arranging a forming tool and/or a work-piece. Prestressing means ~~(24, 72, 76)~~ are arranged on the external surface ~~(22)~~ of the tray frame and induce a compressing prestress which acts in planes parallel to the plane of the tray. The tray frame presents a curvature along its entire circumference.
